MORNING	MEASUREMENT BASIC	SIGNAL PROCESSING	MEASUREMENT TOPICS	NON-LINEAR MEASUREMENTS
Registration 9:00 – 10:00				
Session 1 10:00 – 11:30	*Methodology of measurement* **Dario Petri**	*A Focus on Compressive Sensing Applications in Measurement* *Claudio Narduzzi* **Guglielmo Frigo**	*Mining Sensor and Measurement Data in Real-Time* **Paul O'Leary**	*First Slot: Measuring dynamic systems in the presence of nonlinear distortions and time varying behavior: Going beyond the Linear Time-Invariant framework ininstrumentation and measurement* **Johan Schoukens** **Rik Pintelon**
BREAK 11:30 – 12:00				
Session 2 11:30 – 13:00	*Introducing Bayesian reasoning in measurements with a toy experiment* **Giulio D'Agostini**	*Analog to Information Converters: How Compressive Sampling could overcome ADC limitations* **Leopoldo Angrisani** **Rosario Schiano Lo Moriello**	*Smartphone Instrumentation for Insurance Telematics* **Peter Händel and Isaac Skog**	*Second Slot: Measuring dynamic systems in the presence of nonlinear distortions…* **Johan Schoukens** **Rik Pintelon**
LUNCH 13:00 – 14:30				
AFTERNOON	BIOMEDICAL MEASUREMENTS	MEASUREMENT SENSORS	MEASUREMENT TOPICS	MEASUREMENT SYSTEMS
Session 3 14:30 – 16:00	*Unobtrusive smart sensing and pervasive computing for healthcare* **Octavian Postolache**	*Fiber-Optic Sensing for Power and Energy Industries* **Pawel Niewczas**	*Superconducting sensors: Josephson junction-based nanocircuits toward coherent caloritronics and thermal measurement devices – linked to SS8* **Francesco Giazotto**	*Measurement data aggregation in emerging power systems* **Mihaela Albu**
BREAK 16:00 – 16:30				
Session 4 16:30 – 18:00	*Technology Transfer of Biomedical Equipment: from Bedside to Academia and to Industry to Meet Clinical Needs as Detected by Research* **Franco Simini**		*Forensic metrology: how measurement can help justice* **Veronica Scotti** **Alessandro Ferrero**	*Sensors and Measurements for Robotics and Automation* **Gourab Sen Gupta**

Reception - Meet the Tutorial Presenters 18:00 – 19:00 at the bar of the Palazzo dei Congressi
